

Evening Northern lights/ Daytime nature safari on Kvaløya

Our local taxi driver offers a day or night, round trip on the southern part of Kvaløya. He will show you some of the sights, share the history with you, and search out the wild life. You'll might see some of the animals such as reindeer, eagle or even elk!

At night with a clear sky you might get nice views of northern lights from different fjord and coastal perspectives if you book an evening trip.
